SECRET CRUSHES

We all know you wish you could hook up with the ladies in these pages. While highly unlikely, we encourage you to let them know you'd wash their car, meet their parents, or just that you have a secret crush on them!

I'm ready to jump into the shower with Shayla. I don't remember the last time a girl looked so good getting wet. Okay, that's a bit open ended, but I digress. I may be a romantic, but the gistening sheen of her body, the drops caressing her skin, the dampness of her hair, all area big turn on, and man was I turned on by her pictorial. If there was any way that my girlfriend would slink around a shower stall like that, I'd be all over her in a New York minute. If she ever does, I'll be sure to let you know because your mag was what did it. Thanking you in advance.

– Charles B., Brooklyn

Dear Swank,

I never thought I'd be writing to a men's magazine, especially about dildos and anal sex. But the pictorial of Jinx Maze was astounding. I've been a fan of hers for a few years now, and every time I see her I'm more and more enthralled by her sexuality. I loved every photo and especially the dp with the pink dildo. What a monster cock that was. I've never done a dp, with two cocks or otherwise. I have put fingers in both my holes, but nothing much larger and definitely not with a partner. But I think I may be ready to try. After I saw the pictorial, I was out and bought one for myself, but a little bit smaller (not ready for the bigger one). I'm going to try it out in my ass and get comfortable with it. Then surprise my boyfriend!

Man it's loud in here. The game is going our way and our team is winning – big. I don't think I even know half of the people here, but no matter. After a day of drinking and screaming, the crowd is beginning to thin out...

When she came into the shop, she looked like she was about to burst into tears. "May I help you?" I asked from behind the counter.

"It's my car. I don't know what's wrong with it. It's just making these terrible noises."

"Well, why don't you have a seat and I'll take a look at it? Maybe I can tell you what's going on."

I couldn't help noticing how young and sexy she was as I brushed by her and went outside. She had a slender body, round little tits, and a really nice ass. I thought how fuckable she was as I checked out her car. The problem was pretty apparent, and I knew it wouldn't take all that long to fix. I went back into the shop, letting the door slam behind me. She was standing, leaning against the counter.

"Well, it'll cost you about two hundred dollars. But I can have it running for you by the end of the day."

"I don't have that kind of money," she said, the tears beginning to trickle down her cheeks. "I'll have to call my parents and see if I can borrow it."

"Maybe you don't," I said, approaching her and letting my body rest against hers.

My cock was so hard, it was threatening to rip right through my coveralls. I humped against her, letting her feel the throbbing bulge, then looked into her eyes. "You service me, I'll service your car."

She hesitated. "I'm not sure. I…."

"Well, if you want to wait until you can get the money together…."

She seemed to think it over for a minute. Then, slowly, her expression softened. It was like she was curious or something as her eyes traveled over my body.

"No. I really need my car tomorrow."

She let me push my hand up under her blouse. She wasn't wearing a bra, so I had free access to those sexy tits and stiff little nipples. I captured one of the sensitive tips, then pinched and rolled it between my finger and thumb. She inhaled and held her breath as I tugged and twisted her tender titties. Her knees trembled as she exhaled slowly.

I knew she was mine, hot and ready to agree to almost anything. I locked the front door, then took her hand and led her into my private office. I pushed all the papers and pencils onto the floor, making room for us to go at it. Then I sat on the end of the desk and pulled her close.

She didn't protest as I unbuttoned her blouse and slid it over off her shoulders. I flicked my fingers against her titties, intentionally teasing and tormenting the reddened tips. I buried my face against her soft titties, then started sucking and nibbling on her nipples. She moaned and ground her body against mine.

Finally I unzipped her slacks and pushed them and her lacy panties down around her ankles. She stepped out of the crumpled pile of clothing, naked and exposed. I ran my hands up and down her body, loving the sensation of her baby-smooth skin. Then I shoved my hands between her legs, feeling her hot, wet slit. She moaned as I fingered her clit, rubbing and then squeezing her most sensitive flesh. Soon I poked my finger into her cunt, letting it sink as deep as it could into her sexy body.

I unzipped my coveralls and hauled out my cock. It was dripping with my juices, nearly ready to explode with a hot, heavy load. "Kiss it," I whispered, guiding her to her knees on the dirty concrete floor. "Just like a big, sticky lollipop."

She grinned at me and then did as I asked, letting her full lips make contact with my throbbing cock. I rubbed the sticky head across her lips, smearing my juice along the cherry-colored skin, then shoved it into her mouth. It slid over her tongue and sank deeply into her warm, moist mouth.

She sucked on it, then swirled her tongue over and

around the rim.

I nearly lost my load when she poked her tongue into my gaping slit. At that point, I knew I couldn't play around any more. I had to fuck her. I lifted her into the air, positioning her on top of me.

"Go ahead, baby, ride it."

I watched as she straddled me, then took hold of my cock. She aimed the head for her tight little pussy and slowly lowered herself down onto it. She was so wet and hot that it felt incredible as my cock slid into her body.

"Oh yeah, baby," I groaned, as she bounced up and down on my lap.

I groped her boobs, squeezing and playing with them as she rode me. This was a fantasy of mine, having a sexy young thing fuck me like there was no tomorrow!

I humped my hips, meeting each of her downward strokes and burying my cock that much deeper in her body. My bloated balls were churning with their heavy load as my quivering cock began to jerk and twitch inside her. But she didn't stop riding me. She just took a deep, shuddering breath and kept going, even slipping her hand down to play with her clit.

She rode me until she came. The sudden, powerful climax made her entire body tremble. Her pussy contracted around my cock again and again, milking out every drop of my cream. Our eyes met. I reached for her, twisting my fingers in her brown hair. I pulled her lips down to meet mine and shoved my tongue into her mouth, claiming it as my own. Her titties were pressed against my chest, my cock still buried deep inside her. When I released her, she didn't seem to be in any hurry to get away—and not half as interested in getting her car fixed as she had been just a short time ago.

Finally, she crawled off me and disappeared into the rest room. I wiped up and went into the shop to get my tools. She was right behind me, her body resting against mine as I repaired her car. I was sorry it didn't take a little longer, but soon she climbed into her car and drove away. I had never made a deal like that before, but since it had turned out so well this time, I thought I might try it again the next time a sexy young thing came into my shop!

Wishful Thinking

Carmen McCarthy

Okay, everyone, let's get a few things straight. Carmen is not. She loves girls and guys. Her sexual appetite does not discriminate. It's a lick for lick, blow for blow, and a good fuck for fuck. She admits that any sexy, well built and attractive human is on her fuck radar.

Wishful Thinking

Carmen McCarthy

Us: Hey Carmen, we finally meet. Thanks for spending some time with us. We know you like guys as well as girls, but let's start with the men. What attracts you most about a man?

Carmen: First, thanks for talking with me. I feel kinda special. Then: I like guys with personalities, big hearts, and big cocks. I know it sounds cheesy, but I do. I like men who both respect and know how to please a woman. Plus, he has to have a great smile and a know how to play a good game. He also needs to have plenty of swagger... and be really good in bed.

Us: And what turns you off?

Carmen: Stinky breath turns me off much quicker than a light switch. If you can't get close to his face, how can you kiss and cuddle. I'm also turned off by guys who talk and talk and talk. I talk a lot and he shouldn't talk more than me.

Us: On a scale of ten, how would you rate your sex drive?

Carmen: My sex drive is really, really strong. I'm in the prime of my sex drive. I think about sex a lot and need to be constantly fucking! There were men I had to break up with because they couldn't keep up with me.

Us: How do you get into the mood for great sex?

Carmen: Foreplay is the number

Wishful Thinking

Carmen McCarthy

one thing. You have to put some work into it. There is no wham, bam, thank you maam with me. I was going to stick with girls until I left the business, but then the temptation was too strong. My body wanted cock, My psyche wanted more cock, my mouth wanted cock.

Us: What's the hottest or wildest sex you've ever had?

Carmen: Back in college, I once had a threesome. It was two girls and one guy. We were at a frat party and all got pretty loose and went into the back yard by the swimming pool and got it on. It didn't last too long because we got discovered, but was it hot!

Us: Before making movies, about how many times have you made it with women?.

Carmen: I really didn't keep score, but I think it was about a dozen times. Women are great lovers. I always found one to share with my men. It really spices up the relationship.

Us: Are you a big fan of receiving oral sex?

Carmen: I'm turned on by giving head, but I also love getting it. You have to show your man how to please you down there. Men like to rush things and I end up getting sore, but slow and easy will win my heart every single time, and make him cum evey time.

Us: Would you care to tell us where the most interesting place you've ever fucked somebody?

Carmen: Well, I'll tell you it was with this cowboy in Texas and we did it on his saddle while riding on his horse. We were both facing forward and I was sitting on his cock as the horse trotted. It provided all the motion we needed. I grabbed the saddle horn for support and rode that cowboy for at least a mile down the trail. I have a feeling the horse knew what we were doing because he kept trying to look back. But fortunately, my cowboy was able to control him, but couldn't control me.

Us: What's your favorite position?

Carmen: I like getting it from the back, doggie style. Men like to feel in control and this position lets them do it. They control the thrusting and the pace. Plus they like to play with my asshole at the same time.

Us: Finally, what's your ultimate fantasy?

Carmen: I wouldn't mind doing it on a moving train. The power, the shaking, the screaming wheels. Now that would be really hot, don't you think?.
